Dear Recipient

Notification of intention to cancel a qualification issued to you by the former registered training organisation, trading as NEXTGEN TECH INSTITUTE (formerly Australian Learning Academy) (legal name Qualify Now Pty Ltd), RTO 32025

The Australian Skills Quality Authority (ASQA) is the National Vocational Education and Training (VET) Regulator.

As part of its regulatory activity, ASQA investigated the operations of Nextgen Tech Institute, legal name Qualify Now Pty Ltd and found the organisation to be critically non-compliant with its registration obligations.

As a result of this finding, ASQA has cancelled the registration of Nextgen Tech Institute. The effective date of Nextgen Tech Institute's (cancellation as a registered training organisation (RTO) was 15 May 2025. That cancellation decision means that Nextgen Tech Institute is no longer an RTO and not permitted to provide nationally recognised vocational education and training.

During the relevant period, 31 July 2024 to 15 May 2025, Nextgen Tech Institute issued you **one or more** qualifications and/or statements of attainment from its scope of registration.

Nextgen Tech Institute (records indicate you were issued qualification(s) and/or statement(s) of attainment during the relevant period (see Annexure A for Qualifications and Annexure B for Statements of Attainment).

This letter is formal written notice to you that ASQA

- (i) **intends to cancel**, under section 56(1)(a) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act) the above qualification(s) and/or statement(s) of attainment issued to you by Nextgen Tech Institute for the reasons detailed below, and
- (ii) will provide you with an opportunity to respond before a final decision is made.

ASQA examined evidence provided by Nextgen Tech Institute during the compliance investigation and found that during the period 31 July 2024 to 15 May 2025, in which you undertook your assessment and/or training, Nextgen Tech Institute **did not**:

- a) have an assessment system that ensured assessment including Recognition of Prior Learning (RPL) met the training package requirements, principles of assessment, or the rules of evidence,
- b) conduct adequate assessment against all training package requirements prior to issuing qualifications,
- c) have access to all the required resources to deliver training and assessment,
- d) have appropriately qualified personnel to deliver training and assessment, for the qualifications and statements of attainment listed above.

Based on these findings, ASQA is satisfied on reasonable grounds that Nextgen Tech Institute not provide or arrange for another person to provide, all or part of the assessment necessary for you to achieve the learning outcomes or competencies required for the qualification(s) and/or statement(s) of attainment to be issued to you by Nextgen Tech Institute.

ASQA is notifying you that it intends to cancel your qualification(s) and/or statement(s) of attainment.
