Dear Recipient

**Notification of intention to cancel a qualification issued to you by the former registered training organisation, Australian Academy of Elite Education (legal name DSA Ventures Pty Ltd) (RTO ID 45442).**

The Australian Skills Quality Authority (ASQA) is the National Vocational Education and Training (VET) Regulator.

As part of its regulatory activity, ASQA investigated the operations of DSA Ventures Pty Ltd trading as Australian Academy of Elite Education (DSA Ventures) and found the organisation to be critically non-compliant with its registration obligations.

As a result of this finding, ASQA has cancelled the registration of DSA Ventures. The effective date of DSA Ventures' cancellation as a registered training organisation (RTO) was 4 December 2024. That cancellation means that DSA Ventures is no longer an RTO and not permitted to provide nationally recognised vocational education and training.

During the relevant period **20 January 2023 to 3 December 2024** DSA Ventures issued you **one or more** qualifications and/or statements of attainment from its scope of registration.

DSA Ventures records indicate you were issued the following qualification(s) and/or statement(s) of attainment during the relevant period (see Annexure A for Qualifications).

**A formal notice**

This letter is formal written notice to you that ASQA

- (i) **intends to cancel**, under section 56(1)(a) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act) the qualification(s) and/or statement(s) of attainment issued to you by DSA Ventures for the reasons detailed below, and
- (ii) is providing you with an opportunity to respond before a final decision is made.

ASQA examined evidence provided by DSA Ventures during the compliance investigation and found that throughout the relevant period during which you undertook your assessment and/or training, DSA Ventures **did not**:

- a) implement a training and assessment strategy that will enable each student to meet the requirements for each unit of competency in which they are enrolled.
- b) demonstrate that it has, for all of its scope of registration, and consistent with its training and assessment strategies, sufficient facilities, whether physical or virtual, and equipment to accommodate and support the number of learners undertaking the training and assessment at each delivery location.
- c) demonstrate that it had an assessment system, including for Recognition of Prior Learning (RPL), for any of the sampled training products on scope that would ensure assessment complies with the requirements of the relevant training package and is conducted in accordance with the principles of assessment and the rules of evidence.

- d) conduct adequate assessment and ensure that only students who have fully demonstrated competence against all training package requirements have been issued with VET qualifications.
- e) demonstrate it has a system in place to ensure all trainers and assessors have demonstrated and maintained vocational competencies at least to the level being delivered and assessed and current industry skills directly relevant to the training and assessment being provided.
- f) ensure its training and assessment is delivered only by persons who have vocational competency, current industry skills or current knowledge and skills in vocational training and learning that informs their training and assessment.

None of the provider's trainers and assessors reviewed demonstrated meeting the requirements .

Based on these findings, ASQA is satisfied on reasonable grounds that DSA Ventures did not provide or arrange for another person to provide all or part of the assessment necessary for you to achieve the learning outcomes or competencies required for the qualification(s) and/or statement(s) of attainment to be issued to you.

ASQA is notifying you that it **intends to cancel your qualification(s) and/or statement(s) of attainment.**

### **What you need to do next**

ASQA invites you to provide a written response to this notice. Your response should include reference to and copies of any supporting documentation and relevant information that demonstrates DSA Ventures provided you with training and assessment necessary for the qualification(s) and/or statement(s) of attainment DSA Ventures issued to you.

Should you choose to provide a written response, it must be received by ASQA no later than **7:00 PM (AEST) on 27 August 2025**. Please go to the [response form](#) and use your unique reference number as noted at the top of this letter, when submitting your response and any supporting documentation and relevant information. Further information about relevant evidence can be found on ASQA's [website](#).

ASQA will consider your response including the supporting documentation and relevant information you provide, when deciding whether or not to proceed with the cancellation of your qualification(s) and/or statement(s) of attainment.

**If you do not respond by the time specified above, ASQA may, without further reference or notice to you, cancel your qualification(s) and/or statement(s) of attainment.**

Should ASQA cancel your qualification(s) and/or statement(s) of attainment, you will be advised of that decision and be required to return your certificate(s) to ASQA.
