Dear Recipient

**Notification of decision to cancel a qualification issued to you by the former registered training organisation SPES Education Pty Ltd, RTO 46018**

By notice dated 3 June 2025, the Australian Skills Quality Authority (ASQA) advised you of its intention, under section 56(1)(a) and (d) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act), to cancel the qualification(s) issued to you by the former registered training organisation SPES Education Pty Ltd.

That notice also invited you to provide ASQA a written response to the notice within 7 days, no later than 7:00 PM (AEST) on Tuesday 10 June 2025.

**Decision**

I have made a decision to cancel your qualification(s) during the relevant period (see Annexure A for Qualifications). This decision is made in accordance with section 58(1) of the NVR Act.

**Reason for the decision**

ASQA provided you with notice on 3 June 2025 that it had cancelled the registration of SPES Education. ASQA found that SPES Education did not provide the training and/or assessment necessary to ensure you had achieved the learning outcomes or competencies required prior to issuing qualification(s) to you.

ASQA found that throughout the relevant period 8 January 2024 to 17 May 2025, during which you were enrolled, undertook assessment and/or training, or were recorded as being awarded your qualification, SPES Education **did not**:

- a) have an assessment system that ensured assessment including Recognition of Prior Learning (RPL) met the training package requirements, principles of assessment, or the rules of evidence,
- b) conduct adequate assessment against all training package requirements prior to issuing qualifications,
- c) have access to all the required resources to deliver training and assessment,
- d) have appropriately qualified personnel to deliver training and assessment, for the qualifications listed in Annexure A.

ASQA provided you with an opportunity to respond and submit supporting documentation that demonstrated you had engaged in training and/or assessment during the period 8 January 2024 to 17 May 2025.

As you did not provide a response to ASQA by 7:00 PM (AEST) on Tuesday 10 June 2025, and given the findings outlined above, ASQA is satisfied that SPES Education did not provide you with the training and/or assessment necessary for you to achieve the qualification(s) issued to you. I have therefore decided to cancel the qualification(s) issued to you by SPES Education.
