Dear Recipient

Notification of intention to cancel a qualification issued to you by the former registered training organisation, VETNET Education Services, (legal name Kingsway Vocational Training Pty Ltd) (RTO ID 41374).

The Australian Skills Quality Authority (ASQA) is the National Vocational Education and Training (VET) Regulator.

As part of its regulatory activity, ASQA investigated the operations of Kingsway Vocational Training Pty Ltd (Kingsway) trading as VETNET Education Services (VETNET) and found the organisation to be critically non-compliant with its registration obligations.

As a result of this finding, ASQA has cancelled the registration of Kingsway (trading as VETNET). The effective date of Kingsway (trading as VETNET)'s cancellation as a registered training organisation (RTO) was 9 July 2025. That cancellation means that Kingsway (trading as VETNET) is no longer an RTO and not permitted to provide nationally recognised vocational education and training.

During the relevant period 27 January 2023 to 9 July 2025, Kingsway (trading as VETNET) issued you one or more qualifications from its scope of registration.

Kingsway (trading as VETNET)'s records indicate you were issued qualification(s) and/or statement(s) of attainment during the relevant period (see Annexure A for Qualifications and Statements of Attainment).

A formal notice

This letter is formal written notice to you that ASQA

- (i) **intends to cancel**, under section 56(1)(a) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act) the qualification(s) and/or statement(s) of attainment (at Annexure A) issued to you by Kingsway (trading as VETNET) for the reasons detailed below, and
- (ii) is providing you with an opportunity to respond before a final decision is made.

ASQA examined evidence provided by Kingsway (trading as VETNET) during the compliance investigation and found that throughout the relevant period, during which you undertook your assessment and/or training, Kingsway (trading as VETNET) **did not**:

- a) implement training and assessment strategies that enabled each student to meet the requirements for each unit of competency in which they are enrolled,
- b) demonstrate that it had an assessment system, including for Recognition of Prior Learning (RPL), that would ensure assessment complies with the requirements of the relevant training package,

- c) maintain access to the necessary resources, including qualified trainers and assessors, to deliver and assess the training products prior to issuing qualifications,
- d) deliver training or assessment directly or maintain oversight of third parties who were responsible for student enrolment, documentation, and certificate issuance.

Based on these findings, ASQA is satisfied on reasonable grounds that Kingsway (trading as VETNET) did not provide or arrange for another person to provide all or part of the assessment necessary for you to achieve the learning outcomes or competencies required for the qualification(s) and/or statement(s) of attainment to be issued to you.

ASQA is notifying you that it **intends to cancel your qualification(s) and/or statement(s) of attainment.**

What you need to do next

ASQA invites you to provide a written response to this notice. Your response should include reference to and copies of any supporting documentation and relevant information that demonstrates Kingsway (trading as VETNET) provided you with training and assessment necessary for the qualification(s) and/or statement(s) of attainment Kingsway (trading as VETNET) issued to you.

Should you choose to provide a written response, it must be received by ASQA no later than **7:00 PM (AEDT) on Thursday 27 November 2025**. Please go to the [ASQA Portal](#) and use your unique reference number as noted at the top of this letter, when submitting your response and any supporting documentation and relevant information. Further information about relevant evidence can be found on ASQA's [website](#).

ASQA will consider your responses including the supporting documentation and relevant information you provide, when deciding whether or not to proceed with the cancellation of your qualification(s) and/or statement(s) of attainment.

If you do not respond by the time specified above, ASQA may, without further reference or notice to you, cancel your qualification(s) and/or statement(s) of attainment.

Should ASQA cancel your qualification(s) and/or statement(s) of attainment you will be advised of that decision and be required to return your certificate(s) to ASQA.
