

# 2026 ESOS obligations annual planner

## Keep track of key dates

### Check that your information is correct

Review information about your organisation at [www.cricos.education.gov.au/](http://www.cricos.education.gov.au/).

☐

If the information is not accurate, you can make changes via [www.asqanet.asqa.gov.au](http://www.asqanet.asqa.gov.au).

### Fit and Proper Provider requirements

Notify ASQA within 10 business days of any new or changed ownership or control arrangements between your provider and education agents.

☐

Click [here](#) to read the Department of Education's fact sheet on this amended requirement.

### Cancellation of registration due to nil delivery

A provider that does not deliver a CRICOS registered course at a registered onshore location to an overseas student within a 12-month period from 1 January 2026, will have its CRICOS registration cancelled for all course in all locations.

☐

Click [www.education.gov.au/resources/esos-framework](http://www.education.gov.au/resources/esos-framework) to read the Department of Education's fact sheet on this change to registration requirements.

### Tuition Protection Service levy

Pay your Tuition Protection Service (TPS) levy. The TPS Director will give you a written notice setting out the amount of your levy and the due date for payment.

☐

Click [www.tps.gov.au/Home/Login](http://www.tps.gov.au/Home/Login) for TPS Online. Click [www.education.gov.au/resources/tps](http://www.education.gov.au/resources/tps) for advice on the 2026 International TPS Levy settings.

### CRICOS Annual Registration Charge (CARC)

Pay your CARC to the Department of education by late March 2026. This charge is additional to the Annual Registration Charge payable to ASQA.

☐

### Annual Registration Charge (ELICOS- only) for 2026-27 FY

Pay your ASQA Annual Registration Charge (ELICOS-only providers). This charge is additional to the CRICOS Annual Registration Charge (CARC) payable to the Department of Education.

☐

### Renew and keep up to date

Check when your registration expires at [www.asqanet.asqa.gov.au](http://www.asqanet.asqa.gov.au) or [www.prisms.education.gov.au/Logon/Logon.aspx](http://www.prisms.education.gov.au/Logon/Logon.aspx).

☐

Renewal applications open 12 months prior to registration expiry and close 90 days before expiry. Late applications may not be accepted.

This list is provided as a reminder only. The information in this document is correct at time of publication. ESOS providers need to meet other obligations and deadlines to comply with the requirements of ongoing registration in 2026. Visit [www.asqa.gov.au](http://www.asqa.gov.au) for more information.
