Dear (Recipient),

**Notification of decision to cancel a qualification(s) and/or statement(s) of attainment issued to you by the former registered training organisation Kingsway Vocational Training Pty Ltd (also trading as VETNET Education Services), RTO 41374**

By notice dated 13 November 2025 the Australian Skills Quality Authority (ASQA) advised you of its intention, under section 56(1)(a) and (d) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act), to cancel the qualification(s) and/or statement(s) of attainment issued to you by the former registered training organisation Kingsway Vocational Training Pty Ltd.

That notice also invited you to provide ASQA a written response to the notice within 14 days, no later than 7:00 PM (AEDT) on Thursday 27 November 2025.

**Decision**

I, as the National VET Regulator (VET Regulator), have made a decision to cancel your qualification(s) and/or statement(s) of attainment (see Annexure A for Qualifications and Statements of Attainment). This decision is made in accordance with section 58(1) of the NVR Act.

**Reason for the decision**

ASQA provided you with notice on 13 November 2025 that it had cancelled the registration of Kingsway Vocational Training Pty Ltd. ASQA found that Kingsway Vocational Training did not provide the training and/or assessment necessary to ensure you had achieved the learning outcomes or competencies required prior to issuing qualification(s) and/or statement(s) of attainment to you.

ASQA found that throughout the relevant period **27 January 2023 to 9 July 2025**, during which you were enrolled, undertook assessment and/or training, or were recorded as being awarded your qualification, Kingsway Vocational Training Pty Ltd **did not**:

- a) implement training and assessment strategies that enabled each student to meet the requirements for each unit of competency in which they are enrolled,
- b) demonstrate that it had an assessment system, including for Recognition of Prior Learning (RPL), that would ensure assessment complies with the requirements of the relevant training package,
- c) maintain access to the necessary resources, including qualified trainers and assessors, to deliver and assess the training products prior to issuing qualifications,
- d) deliver training or assessment directly or maintain oversight of third parties who were responsible for student enrolment, documentation, and certificate issuance.

ASQA provided you with an opportunity to respond and submit supporting documentation that demonstrated you had engaged in training and/or assessment during the period 27 January 2023 to 9 July 2025.

As you did not provide a response to ASQA by 7:00 PM (AEDT) on Thursday 27 November 2025, and given the findings outlined above, ASQA is satisfied that Kingsway Vocational Training **did not provide you** with the training and/or assessment necessary for you to achieve the qualification(s) and/or statement(s) of attainment issued to you. I have therefore decided to cancel the qualification(s) and/or statement(s) of attainment issued to you by Kingsway Vocational Training.

### **Who made the decision?**

This decision was made by me as the National VET Regulator.

### **When the decision takes effect**

This decision takes effect at 12.01 AM (AEDT) on Sunday 15 February 2026.
