Dear Recipient,

Notification of decision to cancel a qualification issued to you by the former registered training organisation Gills College Australia Pty Ltd 2417

By notice dated 4 December 2025 the Australian Skills Quality Authority (ASQA) advised you of its intention, under section 56(1)(a) and (d) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act), to cancel the qualification(s) and/or statement(s) of attainment issued to you by the former registered training organisation Gills College Australia Pty Ltd (Gills College).

That notice also invited you to provide ASQA a written response to the notice within 32 days, no later than 7:00 PM (AEDT) on Monday 5 January 2026.

Decision

I, as the National VET Regulator (VET Regulator), have made a decision to cancel your qualification(s) and/or statement(s) of attainment, (see Annexure A for Qualifications). This decision is made in accordance with section 58(1) of the NVR Act.

Reason for the decision

ASQA provided you with notice on 4 December 2025, that it had cancelled the registration of Gills College. ASQA found that Gills College did not provide the training and/or assessment necessary to ensure you had achieved the learning outcomes or competencies required prior to issuing qualification(s) and/or statement(s) of attainment to you.

ASQA found that throughout the relevant period **7 January 2022 to 21 December 2023**, during which you were enrolled, undertook assessment and/or training, or were recorded as being awarded your qualification, Gills College **did not**:

- a) implement a training and assessment strategy to enable each student to meet the requirements for each unit of competency in which they are enrolled.
- b) have an assessment system that ensured assessment including Recognition of Prior Learning (RPL) met the training package requirements, principles of assessment, or the rules of evidence,

- c) conduct adequate assessment against all training package requirements prior to issuing qualifications,
- d) have access to all the required resources to deliver training and assessment,
- e) have appropriately qualified personnel to deliver training and assessment, for the qualifications listed above (see annexure).

ASQA provided you with an opportunity to respond and submit supporting documentation that demonstrated you had engaged in training and/or assessment during the period 7 January 2022 to 21 December 2023.

As you did not provide a response to ASQA by 7:00 PM (AEDT) on Monday 5 January 2026, and given the findings outlined above, ASQA is satisfied that Gills College **did not provide you** with the training and/or assessment necessary for you to achieve the qualification(s) and/or statement(s) of attainment issued to you. I have therefore decided to cancel the qualification(s) and/or statement(s) of attainment issued to you by Gills College.

Who made the decision?

This decision was made by me as the National VET Regulator.

When the decision takes effect

This decision takes effect at 12.01 AM (AEDT) on 22 February 2026.
