Dear Recipient

Notification of intention to cancel qualification(s) and/or statement(s) of attainment issued to you by the former registered training organisation, Unique College of Technology UCT Pty Ltd 91358.

The Australian Skills Quality Authority (ASQA) is the National Vocational Education and Training (VET) Regulator.

As part of its regulatory activity, ASQA investigated the operations of Unique College of Technology UCT Pty Ltd trading as Unique College of Technology and found the organisation to be critically non-compliant with its registration obligations.

As a result of this finding, ASQA has cancelled the registration of Unique College of Technology. The effective date of Unique College of Technology's cancellation as a registered training organisation (RTO) was 2 September 2025. That cancellation means that Unique College of Technology is no longer an RTO and not permitted to provide nationally recognised vocational education and training.

During the relevant period **1 June 2022 to 2 September 2025**, Unique College of Technology **issued you one or more** qualifications and/or statements of attainment from its scope of registration.

Unique College of Technology's records indicate you were issued qualification(s) and/or statement(s) of attainment during the relevant period (see Annexure A for Qualifications and Statements of Attainment).

A formal notice

This letter is formal written notice to you that ASQA

- (i) **intends to cancel**, under section 56(1)(a) of the *National Vocational Education and Training Regulator Act 2011* (the NVR Act) the above qualification(s) and/or statement(s) of attainment issued to you by Unique College of Technology for the reasons detailed below, and
- (ii) is providing you with an opportunity to respond before a final decision is made.

ASQA examined evidence relating to Unique College of Technology's operations and found that throughout the relevant period, during which you undertook assessment and/or training, Unique College of Technology **did not**:

- a) implement training and assessment strategies and practices consistent with the requirements of the relevant training packages,
- b) implement an assessment system, including for Recognition of Prior Learning (RPL), that ensured assessment complied with the requirements of the relevant training packages and the Principles of Assessment and Rules of Evidence,

- c) demonstrate that it had access to appropriately qualified trainers and assessors to deliver and assess the training products prior to issuing qualifications or statements of attainment,
- d) maintain effective oversight or control of third parties involved in student enrolment, training facilitation, assessment-related processes, or processes leading to the issuing of qualifications and statements of attainment.

Based on these findings, ASQA is satisfied on reasonable grounds that Unique College of Technology did not provide or arrange for another person to provide all or part of the assessment necessary for you to achieve the learning outcomes or competencies required for the qualification(s) and/or statement(s) of attainment to be issued to you.

ASQA is notifying you that it intends to cancel your qualification(s) and/or statement(s) of attainment.

What you need to do next

ASQA invites you to provide a written response to this notice. Your response should include reference to and copies of any supporting documentation and relevant information that demonstrates Unique College of Technology provided you with training and assessment necessary for the qualification(s) and/or statement(s) of attainment Unique College of Technology issued to you.

If you do not respond by the time specified above, ASQA may, without further reference or notice to you, cancel your qualification(s) and/or statement(s) of attainment.
