Some sections of this form will expand as you enter content. Should you require additional space, please attach extra pages that are clearly labelled with the number of the question to which the information relates.

Unless otherwise indicated, you must provide a response to each question and to each part of each question.

This application must be supported with evidence that confirms that the course will remain relevant and continue to comply with the *Standards for VET Accredited Courses 2012* and the Australian Qualifications Framework. Overview of the application process
